House Management Policy & Code of Conduct

House Management Policy

It is the policy and intent of the licensee and management of these premises to provide a licensed venue where members and their guests can enjoy hospitality, which includes the purchase and consumption of alcoholic beverages, in a responsible and friendly environment.

We aim to provide services of the highest quality by staff properly trained in the performance of their duties. The obligations and rights of the licensee relating to the sale and consumption of liquor on licensed premises will be politely but firmly enforced.

Code of Conduct

1. The sale of liquor and its consumption in our premises is an essential part of our business, and management and staff are committed to operating in accordance with the laws pertaining to the sale and supply of liquor.
2. It is recognised and acknowledged that the excessive or irresponsible consumption of liquor can be harmful to individuals and the community.
3. It is not our intention or desire to permit or allow our patrons to consume liquor on our premises to an extent that is harmful to themselves or harmful to others. We are committed to serving alcohol to our patrons in a responsible manner in accordance with the Guidelines published by the Director of Liquor Licensing
4. It is our responsibility as licensees and the duty of our employees to identify patrons who are consuming alcohol in excess or in an irresponsible manner. Management aims to discourage irresponsible or excessive use of alcohol by implementing strategies to prevent or reduce such activity on the part of our patrons.
5. We encourage and require our patrons to consume alcohol on our premises in a responsible manner, and management will require any patron who consumes alcohol irresponsibly or behaves in a disorderly manner to leave our premises in an orderly fashion when requested to do so.
6. We do not permit juveniles who are not accompanied by or under the supervision of a responsible adult to purchase liquor from our licensed premises. The law in respect of juveniles will be enforced at all times.
7. We respect the rights of our neighbors not to be unduly disturbed or inconvenienced as a result of the operation of our premises, and we expect and encourage our patrons to also respect the rights of our neighbors and to behave in an appropriate manner whilst patronising or leaving our premises.
8. Management is committed to addressing any complaint that may arise from our activities at the licensed premises or the behavior of our patrons in the vicinity of the licensed premises and will attempt to deal with and resolve any such complaint in an expeditious and appropriate manner.
