# Annual Report

## 2015-2016

Annual General Meeting:  
Thursday 28th July, 2016. 1900 Hours

## **Attendance at AGM 28th July, 2016 at 1900 hrs**

**Financial members in the categories Honorary Life or Full Member are encouraged to attend the Annual General Meeting of Royal Perth Yacht Club on THURSDAY, 28th July, 2016.**

“Unfinancial Members” are ineligible to attend any General Meeting of the Club.

“Unfinancial Members” are defined in the Club’s Constitution 2014:

Clause 29 (5) and 29 (6):

“(5) For the purpose of sub-clause (6), “Unfinancial Member” means any member who after 45 days from the due date for payment has not paid his or her annual subscription or any installment thereof, or any call or levy pursuant to Clause 30 or any other amount due to the Club by that member.

(6) An unfinancial member shall not:

(a) Hold any office or be elected to hold any office whether upon the General Committee or otherwise.

(b) Attend or vote at any General Meeting.”

*This means any amount due and payable to the Club as at June 1, 2016, which is still outstanding on July 28, 2016, disqualifies a member from attending the A.G.M.*

# Honorary Treasurer's Report

FOR THE YEAR ENDED 31 MAY 2016

I am pleased to report to you on the financial performance of your Club for the year ended 31 May 2016 and its financial position at year end.

## Financial Performance

During the year ended 31 May 2016, a profit of \$236,411 (2015 - \$185,590) was generated from continuing operations.

This profit performance, whilst lower than recent years, continues the recent trend of consistent levels of performance against forecast. A continuing focus on cost control has contributed to the performance of the Club over the past year while increased interest costs due to the recent stages of our development plan have been incurred.

The result for the year can be summarised as Revenue \$7,178,214 (up \$42,786 on previous year) and Expenditure \$6,941,803 (down \$8,035 on previous year).

Membership revenue was slightly higher in the year. A small decline in the number of full members also impacted on the income level. The overall result was subscription income of \$1,433,373 (2015 - \$1,420,306).

Income from pen and hardstand fees increased to \$2,701,199 (2015 - \$2,544,093) This reflects the continuing demand for pens.

Hospitality operations contributed \$224,643 (2015 - \$292,010). Revenue in this area was lower than forecast. This result is generally in line with the broader market. A positive result was observed in wardrobe sales which increased over the year.

Expenses were in line with last year at \$6,941,803 (2015 - \$6,949,838).

## Financial Position

The Statement of Financial Position as at 31 May 2016 records that your Club ended the financial year in a strong position.

In particular, I draw your attention to the following:

- During the year, member's equity increased from \$8,751,396 to \$8,988,767;
- During the year, cash flow of \$777,673 was generated (2015 - \$609,183);
- The Club increased the use of its available financing facilities to a total of \$6,168,000 (2015 - \$6,042,799).

Current liabilities are in excess of current assets by \$1,187,506 (2015 - \$848,587).

As has been detailed in prior years, this does not indicate any concern about the capacity of the Club to meet its liabilities as and when they fall due for the following reasons:

- \$82,750 reflects function deposits that will convert to income at the time the function is held;
- \$547,767 reflects income in advance relating to pen fees (\$473,170) and rent (\$74,597) which become due in the next twelve months.
- Loans and borrowings of \$1,000,000 (2015 - \$0) reflects the accounting transfer to current liabilities in advance of planned loan repayments over the next twelve months.

After considering the finance facilities available to the Club, the assets of the Club, its ongoing trading performance, and the mix of the Club's liabilities, I believe that the Club will not have any difficulty paying its liabilities as and when they become due for payment.

## Development

There have been no major capital works carried out this year. As outlined last year, the last remaining area requiring attention is the rectification of the drainage and car parking areas to the south of the Club house. These will be completed as and when capital funding is available. Due to the Club's strong cash flow, the new "ORPYC" was purchased outright, rather than debt-funded as initially intended.

Our ongoing objectives are to consolidate the Club's financial position, reduce debt and develop plans for the next stage of capital redevelopment at the Club.

## Operations

The changes to the membership structure have been well accepted although the uptake of social and crew categories has been slower than anticipated. It is expected that numbers in both of these areas will increase in the coming year.

I would like to take this opportunity, as I do every year, to extend my thanks to Stuart Walton and Neil Smith, our new Financial Controller, who are responsible for the day to day financial management of the Club and preparing the routine financial reports to enable the General Committee to exercise oversight of the Club's financial affairs.

I look forward to reporting to you further at the Annual General Meeting.

**Greg O'Neill**  
*Honorary Treasurer*

# Notes to and Forming Part of the Financial Accounts

FOR THE YEAR ENDED 31 MAY 2016

## 1. CORPORATE INFORMATION

The Royal Perth Yacht Club is a club incorporated and domiciled in Western Australia. The address of its registered office and its principal place of business is Australia II Drive, Crawley.

The Financial Report of the Royal Perth Yacht Club for the year ended 31 May 2016 was authorised for issue in accordance with a resolution of the General Committee.

## 2. SIGNIFICANT ACCOUNTING POLICIES

### Basis of Preparation

The Financial Report is a general-purpose Financial Report which has been prepared in accordance with Australian Accounting Standards.

The Report has been prepared using the historical cost basis, except where stated.

The Report is presented in Australian dollars.

### Statement of compliance

The Financial Report complies with Australian Accounting Standards, which ensures that the Financial Report complies with International Financial Reporting Standards.

### Going Concern

At 31 May 2016, the Club had a working capital deficiency of \$1,187,506.

This financial report has been prepared on the basis that the Club is a going concern and this is dependent upon:

- the Club trading profitably in the future; and
- a loan facility from St George Bank.

Management have prepared cash flow forecasts indicating that the Club will be profitable for the year ending 31 May 2017.

The Club has secured a \$6.548 million loan facility from St George Bank. At year end, an amount of \$6.168m has been drawn down.

Based on the cash flow forecasts and the facility provided by St George Bank referred to above, management are satisfied that the going concern basis of preparation of this financial report is appropriate, which assumes continuity of normal business activities and the realisation of assets and the settlement of liabilities in the ordinary course of business.

### Changes to Accounting Standards

The Club has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board that are relevant to its operations and are effective from 1 June 2015. Certain Australian Accounting Standards and Australian Accounting Interpretations have recently been issued or amended but are not yet effective. These standards have not been adopted by the Club for the year ended 31 May 2016 and would not have a material effect on the Club's current accounting policies.

### Comparative figures

Various General Ledger accounts were re-classified during the year. Last year's comparative figures may, in some instances, be different from the figures shown in last year's Financial Statements.

### Property, Plant and Equipment

All Property, Plant and Equipment, including buildings, are recognised and measured at cost.

Buildings are depreciated on a straight line basis at rates of 4% and 3%. Jetties and Pens are depreciated on a straight line basis at rates of 3%, 3.5% and 10%. Plant and equipment is depreciated on a straight line basis at rates between 5% and 20%. Motor vehicles are depreciated on a straight line basis at 20% and 25%.

### Impairment

The carrying values of plant and equipment are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable.

For an asset that does not generate largely independent cash inflows, the recoverable amount is determined for the cash-generating unit to which the asset belongs.

If any such indication exists and where the carrying values exceed the estimated recoverable amount, the assets or cash-generating units are written down to their recoverable amount.

The recoverable amount of plant and equipment is the greater of fair value less costs to sell and value in use.

Value in use is determined as the depreciated replacement cost of the asset or cash generating units.

Based on the value in use approach, assets of the club are not impaired.

### Cash and cash equivalents

Cash and short-term deposits in the Statement of Financial Position comprise cash at bank and in hand and short-term deposits of less than 12 months.

For the purposes of the Statement of Cash Flows, cash and cash equivalents consist of cash and cash equivalents as defined above, net of outstanding bank overdrafts.

### Inventories

Stock on hand has been valued at the lower of cost and net realisable value on the first in first out basis.

### Trade and other receivables

Trade receivables, which generally have 30-90 day terms, are recognised and carried at original invoice amount less an allowance for any uncollectible amounts.

An estimate for doubtful debts is made when collection of the full amount is no longer probable. Bad debts are written off when identified.

# Notes to and Forming Part of the Financial Accounts

FOR THE YEAR ENDED 31 MAY 2016 CONTINUED

## 2. SIGNIFICANT ACCOUNTING POLICIES (continued)

### Trade and other payables

Trade payables and other accounts payable are recognised when the Club becomes obliged to make future payments resulting from the purchase of goods and services. Trade payables are recognised at cost being the fair value of the consideration received.

### Interest-bearing loans and borrowings

All loans and borrowings are initially recognised at cost, being the fair value of the consideration received net of issue costs associated with the borrowing.

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method. Amortised cost is calculated by taking into account any issue costs, and any discount or premium on settlement.

Gains and losses are recognised in the Statement of Profit or Loss and Other Comprehensive Income when the liabilities are derecognised and as well as through the amortisation process.

### Borrowing costs

Borrowing costs are recognised as an expense when incurred.

### Depreciation

The depreciation expense for the year is \$1,017,009 (2015 \$1,019,557).

### Employee benefits

The employee benefits expense for the year is \$1,415,690 (2015 \$1,363,852).

### Provisions

Provisions are recognised when the Club has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provision is made for the Club's liability for employee benefits arising from services rendered by employees to the balance date. Employee benefits expected to be settled within one year, together with entitlements arising from wages and salaries and annual leave which will be settled after one year, have been measured at the nominal value. On-costs, other than superannuation, are recorded as a separate provision to employee benefits.

The total employees of the Club at 31 May 2016 was 13, all of whom are permanent.

### Income Tax

The Club is exempt from income tax.

### Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST except:

- Where GST incurred on a purchase of goods and services is not recoverable from the taxation authority, in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- Receivables and payables are stated with the amount of GST included.

### Revenue Recognition.

Revenue is recognised when services have been provided and goods received, the amount of the revenue can be measured reliably and it is probable that it will be received. Revenue is recognised with reference to the stage of completion.

### Critical Accounting Judgements and Key Sources of Estimation Uncertainty

In the application of the Club's accounting policies, which are described above, the Club's General Committee members are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Judgements, estimates and assumptions made by the Committee members have had no significant effects on the financial statements and risk of material adjustments in the current and future years.

## 3. FINANCIAL INSTRUMENTS

### FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Club's principal financial instruments comprise cash, bank overdrafts, receivables, payables, other payables and its bank bill facility.

The Club manages its exposure to key financial risks in accordance with the Club's financial risk management policy. The objective of the policy is to support the delivery of the Club's financial targets whilst protecting future financial security.

The main risks arising from the Club's financial instruments are interest rate risk, liquidity risk and credit risk. The Club uses different methods to measure and manage different types of risks to which it is exposed. These include monitoring levels of exposure to interest rates and assessments of market forecasts for interest rates. Ageing analyses and monitoring of specific credit allowances are undertaken to manage credit risk. Liquidity risk is monitored through the development of future rolling cash flow forecasts.

The General Committee is responsible for the identification and control of financial risks. The Committee reviews and agrees policies for managing each of these risks and these are summarised below.

### Interest rate risk

Interest rate risk is the risk that the value of a financial instrument or cash flows associated with the instrument will fluctuate due to changes in market interest rates. Interest rate risk arises from fluctuations in the interest bearing financial assets and liabilities that the Club uses. Interest bearing assets comprise cash and cash equivalents which are considered to be short-term liquid assets. Interest bearing liabilities comprise bank overdrafts and the bank bill facility. It is the Club's policy to settle trade payables within the credit terms allowed and the Club does therefore not incur interest on overdue balances.

The following table sets out the carrying amount, by maturity, of the financial instruments exposed to interest rate risk:

	Floating Interest Rate	Fixed Interest Rate Maturing in			Non-Interest Bearing	TOTAL

### Sensitivity analysis

If interest rates on the Club's cash balances, bank balances and bank bill facility had weakened/strengthened by 1% at 31 May, there would be no material impact on the Statement of Profit or Loss and Other Comprehensive Income. There would be no effect on the equity reserves other than those directly related to the Statement of Profit or Loss and Other Comprehensive Income movements.

### Credit Risk

Credit risk is the risk of financial loss to the Club if a customer or counterparty to a financial instrument fails to meet its contractual obligations. The Club is exposed to credit risk on its cash and cash equivalents and trade receivables and other receivables, which also represents the maximum exposure to credit risk. The Club only deposits surplus cash with well established financial institutions of high quality credit standing.

## 3. FINANCIAL INSTRUMENTS (continued)

In addition, receivable balances are monitored on an ongoing basis with the result that the Club's exposure to bad debts is not significant.

The Club's maximum exposure to credit risk at reporting date:

	31 May 2016	31 May 2015
Cash and cash equivalents	343,513	24,393
Trade & other receivables	506,157	570,626
	849,670	595,019

Impairment Losses

The ageing of the Club's trade receivables at reporting date was:

	31 May 2016 Gross	31 May 2016 Impairment	31 May 2015 Gross	31 May 2015 Impairment
0 – 30 days	229,230	-	182,465	-
31 – 60 days	175,503	-	125,851	-
61 – 120 days	45,906	-	46,761	-
Greater than 121 days	80,518	25,000	240,549	25,000
	531,157	25,000	595,626	25,000

The movement in the provision for impairment in respect to trade receivables during the year was:

	31 May 2016 \$	31 May 2015 \$
As at 1 June	25,000	25,000
Charge during the year	-	-
As at 31 May	25,000	25,000

Trade receivables (greater than 30 days) past due are not considered to be impaired. The provision for impairment is considered to be adequate to re-coup payment from outstanding debtors. The Club directly contacts relevant debtors on a regular basis and is satisfied that payment will be recovered in full.

### Liquidity risk

Liquidity risk is the risk that the Club will not be able to meet its financial obligations as they fall due. The Club's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Club's reputation.

The Club's objective is to ensure that sufficient funds are available to allow it to continue its sailing activities. Up to 31 May 2016 the Club funded its activities predominantly through the use of its bank bill facility and funds obtained from its members.

The following are the contractual maturities of financial liabilities:

Year ended 31 May 2016:

Non derivative financial liabilities:	Carrying Amount	Under 6 Months	6-12 Months	> 1 Year
Trade and other payables	222,705	222,705	-	-
Interest bearing loans and borrowings	6,077,540	7,702	1,007,702	5,062,136

	7,769,500	1,730,723	38,777	6,000,000

### Fair Value of Financial Assets and Liabilities

The fair value of cash and cash equivalents and non-interest bearing financial assets and financial liabilities of the Club is equal to their carrying value

## 4. EVENTS AFTER REPORTING DATE

There have been no events since Reporting Date which would have a material affect on the Club and/or its ability to meet its obligations.

# Honorary Treasurer's Statement

In my opinion, the accompanying financial report is drawn up so as to present fairly the financial position of the Club as at 31 May 2016 and its performance for the year ended 31 May 2016.

Dated at Perth, Western Australia  
this 24th day of June 2016.

**Greg O'Neill**  
*Honorary Treasurer*

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ROYAL PERTH YACHT CLUB OF WESTERN AUSTRALIA (INC.)

### Report on the Financial Report

We have audited the accompanying financial report of Royal Perth Yacht Club of Western Australia (Inc.), which comprises the statement of financial position as at 31 May 2016, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the Honorary Treasurer's statement.

### Committee Members' Responsibility for the Financial Report

The Committee Members are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the Associations Incorporations Act 1987 (WA) and for such internal control as management determine is necessary to enable the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error. In Note 2, Management also state, in accordance with Accounting Standard AASB 101 Presentation of Financial Statements, that the financial statements comply with International Financial Reporting Standards.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Company Director / CEO.

B.Com Accounting & Finance.

Partner at Fresh Provisions.

Fresh Provisions company operates  
specialty fresh food businesses in Bicton  
and Mount Lawley employing 120 people  
and selling over 15,000 products. Whilst  
being involved in many aspects of the  
business my core responsibilities are in  
fresh produce, business administration,  
human resources, logistics and operations.  
This role has exposed me to several  
aspects of the business including  
accounting, finance, industrial relations,  
marketing and organisational behaviour. My  
most important role is to act as a mentor to  
our management team, encouraging their  
growth and keeping them engaged in the  
strategic direction of our business. Always  
eager to learn, I completed a bachelor  
of commerce degree recently at Curtin  
University adding to my business practical  
experience.

I was fortunate to have started my sailing  
in Bakewell White 8 Meters with Alan  
Thomas on "The Fox" in 2007, I officially  
joined RPYC in 2009. I also recently had  
involvement with the Dinghy Division  
as Captain Dinghies and I have had  
the pleasure previously of participating  
in Geographe Race Weeks, the Cape  
Naturaliste Long Passage Race and with the  
RPYC Teams Racing Team in London for the  
Cumberland Cup in 2012.

Shawn thoroughly enjoys the competitive  
yet friendly nature of the RPYC sailing fleets  
especially the BW-8 fleet. Activities this

## Nominations for General Committee

### **VERA WALDBY**

Age: 58.

Married to Andrew with five children – Simone, Sebastian, Jordan, Alysha and Brett.

Chartered Secretary – Corporate Governance & Administration Specialist.

2014-present – Corporate Governance & Administration Consultant.

2003-2013 – Corporate Affairs Manager & Asst Company Secretary - Panoramic Resources Limited.

Joined RPYC in 2005.

Started sailing in the 1970's at RPYC on Div 1 & 2 keelboats and competed in international, national and state championships and regattas in fleet, match and team racing events.

Competed in offshore and bluewater races locally, nationally and overseas.

Active member of RPYC training and development squads.

Member of RPYC Team Racing Committee.

Board member of Aust. Match Racing Limited.

Served 2yrs as Secretary of the S&S34 Association (2012-2014).

I am interested in progressing RPYC as a leader in our sport and believe in promoting a Club which is represented at all levels and inclusive of people of all abilities. I am keen to support the administration of RPYC to ensure its continuing success and ongoing value to its members.

House Committee 2014 - 2016  
General Committee 2015 - 2016

**Part Owner:** Yacht "Swagman".

**Proposer:** Commodore Tony Carter.

**Secunder:** Martin Box.

### **BRADLEY WILLIAM WEARN**

Age: 53.

Married with three children.

IT Manager

Worked in the IT industry for 30 years in a variety of roles across a range of industries and countries. I have a strong strategy, business architecture and enterprise applications background, which has been leveraged to apply practical IT solutions to many different business scenarios.

This diversity of roles, skills and industry experience led to the opportunity to take on the role of Chief Information Officer with BHP Billiton Iron Ore in 2004, which I held for over 10 years. I was responsible for setting and executing the IT strategy during a period of large capital expansion, while maintaining business as usual IT operations. In May 2015 I transitioned to South32 as a result of the demerger from BHP Billiton and now have responsibility for IT strategy, planning and execution in the Australian region, including nickel operations in Columbia.

Joined RPYC in 1987, rejoined in 2000.

Several years racing in the Endeavour 24 fleet with "Birribi", the Division 2 fleet with "Oliver Twist" and the Dinghy Division in a Laser. Now a regularly participant in the BW8 and Division 1 fleets.

General Committee Member 2006 - 2007, 2015 - 2016.

Captain Dinghies 2003 - 2005.

Division 4 Sailing Representative  
2000 - 2001.

**Owner:** Yacht "The Kennel".

**Proposer:** Commodore  
Michael Campbell.

**Secunder:** Vice Commodore  
Mark Hansen.
