Building  
Effective  
Operations

## Effective Operations

- Training courses generating good revenue and adding to pool of available crew members.
- Continued focus on trainee retention into Club fleets. Over 250 Trainees
  - Sail training conversion to membership 12%, target 10%
  - So successful, has been taken up interstate
- CDO programs
- RST courses: members and a few schools, theory and practical

Building  
Effective  
Operations

## Effective Operations

- School holiday training programs have been very well subscribed
- Continued management of Club boats and marina/hardstand assets
- Asset replacement program - ORPYC.

## Strategic Planning

- In the lead up to 2017 the Club will evaluate the 2013 – 2017 Strategic plan
  - What worked, what didn't
  - Future proofing
  - Direction
- Develop a new Strategic Plan for 2017 – 2022
