WHAT YOU NEED TO KNOW ABOUT THE 13TH OF OCTOBER

OPENING OF THE 2018/2019 SEASON

Members, crew, family and friends are invited to attend the Opening Ceremony.

All visiting yachts should be berthed along the Club Jetties and we ask that all skippers and crew join us on the lawn by 1:50pm.

ATTENTION SAILORS - WHAT YOU NEED TO KNOW

All yachts are requested to dress ship for the Opening Ceremony.

RPYC Yachts are asked to remain in your pens until after the conclusion of the Opening Ceremony.

Skippers and crew of Yachts starting from line "B" are asked not to come ashore for the ceremony unless there is sufficient wind to get you to the start line on time.

Sailing Instructions

You'll find Opening Day courses in the course boxes near the Club Office. Handicaps and any notices to competitors will be posted on the main notice board not less than 90 minutes before the start of racing.

All races will be governed by the Racing Rules of Sailing, the Australian Sailing Special Regulations 2017 – 2020 and the rules of the classes concerned (except as any of these are altered by the Sailing Instructions 2018 – 2019 Season).

Copies of the Red Book are available from the Club office and online at www.rpyc.com.au

Results

We know the best part of the day is catching up with friends, fellow sailors and crew and talking about the day out on the water.

We've listened to your feedback and this year instead of announcing results, we'll be placing them at various points around the Club for you to view.

So check them out and then get back to making the most of enjoying each other's company, having a few drinks and a great feed.

Calling all Power Boaters – dress your boat and join the Sailpast

We have responded to your feedback and are re-introducing a sail past this year. Join the fun, dress your boat with bunting and be prepared to demonstrate your boat handling skills.

Boats are asked to assemble adjacent to the passageway between B and C jetties just off the

Western end of F Jetty at 3:30pm. You should enter the marina and make your way down towards the boat ramp keeping well to Port. When adjacent to the fuel jetty do a U turn and head back out into the Bay again keeping to Port. A Club boat will be on the water to signal when you should enter the marina. To allow sea room for boats to turn we ask that you allow a time gap of 30 seconds between each boat.

A more detailed map with 'sailing' instructions will be available from the office or by contacting Kate Wearn at sailassist@rpyc.com.au

We will have the crowds on the lawn to cheer, so get the crew on the foredeck, it will be great fun.

DRESSING OF THE SHIP - BEST DRESSED COMPETITION

Why not get in the spirit of Opening Day and dress up your Yacht or Power Boat with flags or bunting to add colour and spirit to the day! There's a prize for the Best Dressed Ship.

SPRING GARDEN PARTY

With entertainment and face painting to keeps the children entertained, you can truly make this all about you and enjoy the afternoon tea and cocktail specials.

Raise a glass to the sailors as they head out for the races, cheer on the best dressed power boat, or simply relax and put your feet up with great nibbles and a champers.
