# POWER YACHT SAILING INSTRUCTIONS

## **1 Rules**

Events shall be governed by the “Rules 2010 for the sport of Time Trialling” prepared by the Power Yacht Committee of the Yachting Association of Western Australia (Inc). The Rules are available from the Club office and YWA website.

Course, Elapsed Time Sheets and Start Sheets form part of these Sailing Instructions. Elapsed Time Sheets take due account of restricted speed areas.

## **2 Entries**

Eligible Power yYachts may be entered in any programmed event in accordance with RPYC (inc) Rules and By-Law. A guest Skipper must be approved by the Captain Power, who will inform the Chief Starter accordingly. No reason for disapproval be given in any case.

## **3 Competition Committee**

Comprises of chief Starter and up to five other persons approved by the Power Yacht Committee, for the purpose of conducting Time Trialling events (excluding events for which a special committee may be formed).

## **4 Notice to Competitors**

Notices to competitors will be posted on the Power Notice Board located adjacent to reception.

## **5 Changes in Sailing Instructions**

Any change in the Sailing Instructions or in the schedule of events will be posted on the notice board on the day before it will take effect.

## **6 Start Times, Course and Elapsed Time sheets**

Start time sheets will be available on [sportspage.com.au](http://sportspage.com.au) no later than 1700 hours on the Thursday prior to the event. Courses and elapsed timesheets are available from the Club office.

## **7 Flags**

Competing Power Yachts shall fly the yellow class flag immediately below the Club burgee.

## **8 Competition Numbers**

Identification numbers conforming to CPYC rules shall be displayed for the duration of an event and be clearly visible on both sides of a vessel. A vessel whose number is not clearly visible for whatever reason to a checkpoint may not be timed at that checkpoint and shall have no cause to protest.

# ELIGIBILITY AND CONDUCT OF SKIPPERS

## **One Skipper competing in more than one Boat on a regular basis**

Acceptable, subject to the prior knowledge and consent of the Power Yacht Committee. Chief Starter to be advised prior to each event of the boat being used. Under these conditions, consistency points will accrue to the Skipper.

## **Casual change of Skipper/Joint Owners**

Prior notice being given to Chief Starter and Boating's Operation Office at RPYC, consistency points shall accrue to the boat whichever of the joint owners shall act as Skipper.

## **Change of Ownership**

No accrued points to transfer to new owner where not previously a part owner.

## **Conduct**

The Power Yacht Committee wishes to stress that it is fundamental that there must be an honorable and sportsmanlike observance of the competition rules. Respect for all water users' rights and safety is of utmost importance. The Skipper of a Power Yacht involved in an incident may be required either to retire from the event or to protest should he/she consider that his/her was the right-of-way Power Yacht.

# 2020 POWER YACHT COMPETITION

## **Consistency**

Most Consistent boat as described under the heading Consistency Events.

## **Club Champion**

Determined by the same method as for Consistency except it is based upon the outright result (no handicap).

## **Trophies**

Trophies will be awarded annually for Club Championship, and Consistency.

# CONSISTENCY EVENTS

A "Consistency Event" means Consistency in attendance and performance of the boat. Consistency will be decided by the highest number of points totaled over all events of the Power Yacht season.

## **Consistency points are awarded as follows:**

One point for starting in a Consistency event, and one point for completing the course for that event. Ten points are awarded to first place, reducing to zero for eleventh place.

When two or more boats score the same number of points they shall each be awarded Consistency points for that place whilst for the next places shall not be awarded. Eg; If three boats finish equal first, each shall receive 12 points and the next boat 9 points (the points for fourth place).

Any Power Yacht disqualified in a Consistency event shall lose all Consistency points for that event.
