

## Time Trialling Registration with Revolutionise Sport

RevSPORT is a database system RPYC and all Clubs are now using to collect Sailing Regatta and Time Trialling entry information.

The data collected for Time Trialling has been setup in RevSPORT for multiple Clubs to view a race's competitor list and basic competitor information.

The first thing you will see is the RPYC Crest at the top of the webpage. Unfortunately, this does not mean the registration form is connected to RPYC's webpage. So putting your RPYC Username and Password is not going to work.

Fortunately, we have put together a simple user guide on how to register for Time Trialling events via the RevSPORT.

### Step 1: Click Nominate
