Bricklanding A & B	33A & 33B	Starboard
Foam Buoy	55	Starboard
Sanders	99	Starboard
Outer Dolphin	17	Port
Inner Dolphin	16	Port
<i>Finish in a north westerly direction</i>		

<b>BW8 // Farr 9.2 // S80 // Division 2</b>		
<b>3 Minute Starting Sequence</b>		
Bricklanding A & B	33A & 33B	Starboard
Dolphin West	42A	Starboard
Sanders	99	Starboard
Outer Dolphin	17	Port
Inner Dolphin	16	Port
<i>Finish in a north westerly direction</i>		

<b>Division 3</b>		
<b>3 Minute Starting Sequence</b>		
Sanders	99	Starboard
Dolphin West	42A	Starboard
Sanders	99	Starboard
Outer Dolphin	17	Port
Inner Dolphin	16	Port
<i>Finish in a north westerly direction</i>		

# Sail Past Instructions

This year the Sail Past at Royal Perth Yacht Club will include all fleets/sections. Dinghy Division, Keelboats and Power will make their way through the sail past to recognize the Opening of the 2021/2022 Summer Season.

The images on pages 6 & 7 illustrate the holding areas for each fleet that are on the water before they are signalled to commence the Sail Past and the flow of traffic through the Sail Past.

All Keelboats and Powerboats are to be monitoring VHF CH77 on the day for all communications.

The order of the fleets will be as follows:

## **1. Dinghy Division**

Guided by the coaches and safety boats for the day the Dinghy Division will lead the Sail Past. All dinghy division sailors are to remain onshore until instructed by Chris Goldacre to depart. Once on the water sail to “Matilda” and await further instructions.

When given the all clear by Travis Burtenshaw, follow ORPYC through the Sail Past, leaving the VIP Boat raft up to Starboard and the two RPYC Inflatable Buoys to Port. When passing the second buoy at the end of the Sail Past turn left and follow ORPYC down to your starting area.

## 2. Keelboats

The RPYC Keelboat fleet will follow Challenger and Pelican as the lead boats. Challenger will wait for the call on VHF CH77 and, slowly pass through the Sail Past leaving the VIP Boat raft up to Starboard and the two RPYC Inflatable Buoys to Port.

Challenger will then proceed to the starting area for the afternoons racing. There will be no delay for boats that are lagging, please ensure your boat and crew are ready to depart when the Sail Past is declared open.

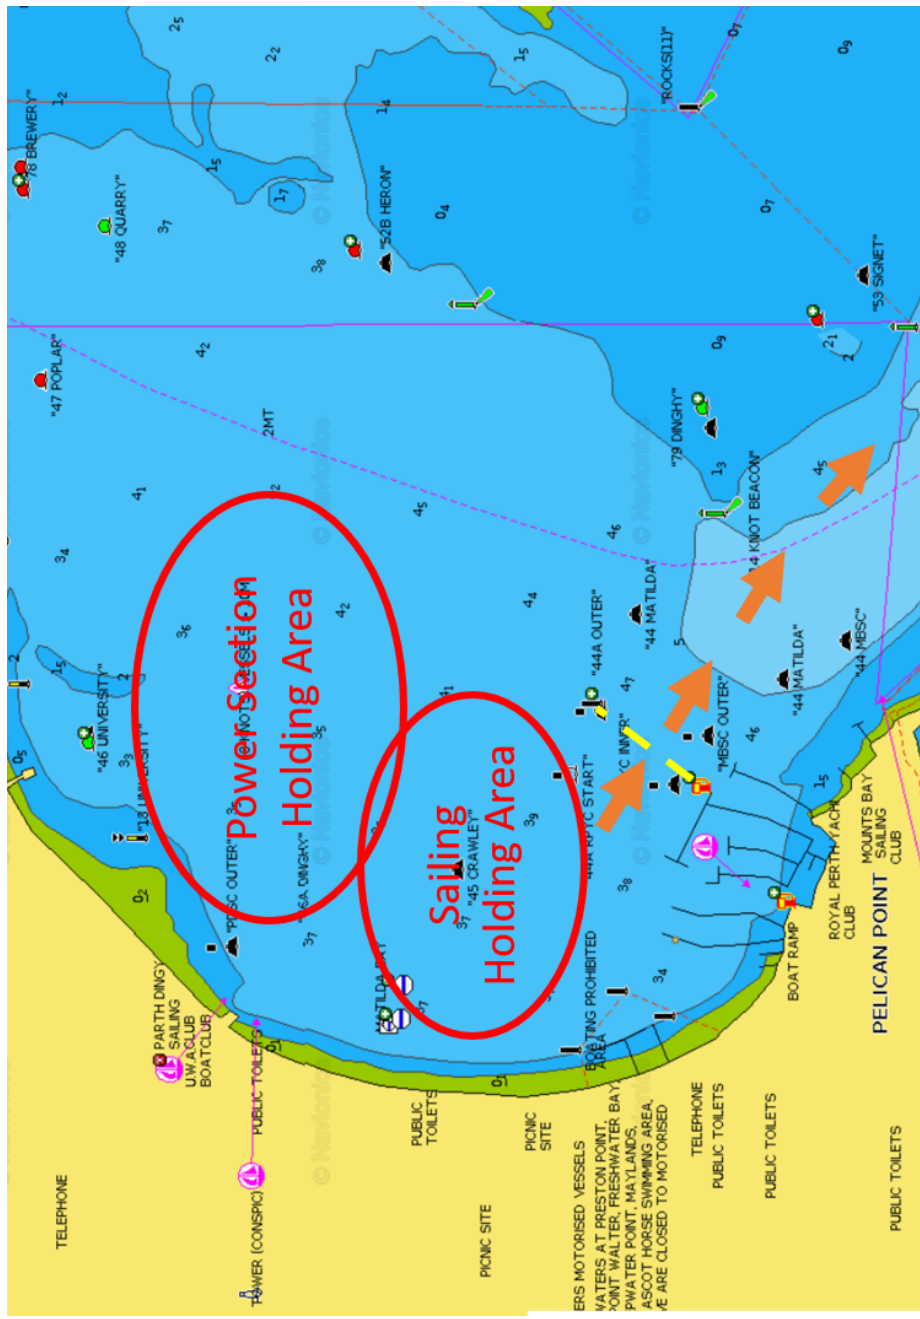

For safety it is important that **all boats with engines have them turned on for ease of maneuverability.**

## 3. Powerboats

Led by the Club Champion Boat "100" Harmonie, and followed by Club Consistency "101" Smooth Moves, the Power fleet will follow the Keelboat fleet through the Sail Past and either make their way back to the marina or follow the Keelboats out to the starting area to watch the racing.

Travis on Matilda will call the lead boat from the fleet and instruct them to make their way through the Sail Past.

It is very important on the day to travel through the Sail Past **slowly** to ensure little to **no wake** is produced for the VIP boats in their raft up.
