Calculations:

A "consistency event" means consistency in attendance and performance of the boat.

Consistency will be decided by the highest number of points totalled over all events.

Consistency points are awarded as follows: One point for starting in a consistency event and one point for completing the course for that event. Ten points are awarded to first place, reducing to zero for eleventh place.

NOTE: "Au" could not be awarded the CONSISTENCY prize for 2022 as they won the higher CHAMPIONSHIP boards. Awards move to the next best results.
