Did you know that this is the first year since 2019 the AYMRC has gone ahead due to Covid-19? A great accomplishment for RPYC!

DAY ONE | AUSTRALIAN YOUTH MATCH RACING CHAMPIONSHIPS

We kicked off Day One of the Australian Youth Match Racing Regatta with registrations and unfortunately gloomy weather.

Whilst the rain washed through the CBD we had competitors from Sydney and home-grown Perth turn up for their pre-regatta weigh in and registrations.

Overall nerves were high! Sailors one by one tackled their practice session, some luckier with the weather than others.

In the evening we officially welcomed our visitors from Royal Prince Alfred Yacht Club, Cruising Yacht Club of Australia, Royal Sydney Yacht Squadron, Royal Freshwater Bay Yacht Club and South of Perth Yacht Club. Following a formal welcoming from Commodore Shawn Offer, we had our Umpires, Race Officers and Sponsors deliver a welcome speech.

We cannot wait for a day full of action tomorrow!
