Tuesday 4th July 2023

Royal Perth Yacht Club

The Seabreeze averaged from 12 to 24 knots with gusts up to 28knots. All sailors handled the conditions really well.

We had a few breakages due to the weather, but nothing too major. All Elliotts will be in perfect condition for Day #2

DAY TWO | AUSTRALIAN YOUTH MATCH RACING CHAMPIONSHIPS

A windy start to Day #1! Following our Competitors Briefing, our teams hit the Elliotts to rig up for the day, ready to start the first Round Robin.

The sky, although seemingly clear had a few surprise fronts throughout the day, making wind pockets unpredictable, and some lethally fast.

Match 1 of Flight 1 kicked off with Will Sargent (CYCA) facing Perth talent Marcello Torre (RFBYC) resulting in a win for the Sydney sailor and crew.

We completed Round Robin #1 today, full results can be found on the AYMRC 2023 Website. [Or click HERE!](#)

Looking forward to Day #2 tomorrow!
