

AYMRC UPDATES

Wednesday 5th July 2023

Royal Perth Yacht Club

This morning also saw an amendment in Round Robin #1 results. The updated results can be found via our website.

On average, the Seabreeze for Melville Waters was sitting at an average of 17 to 23 knots with gusts up to 27knots.

DAY THREE | AUSTRALIAN YOUTH MATCH RACING CHAMPIONSHIPS

A slightly less windier but much wetter day for our sailors on Day #3 of the Australian Youth Match Racing Championships. All 7 squads did a fantastic job of navigating their Elliotts on the choppy River.

Even with a delayed start this morning, we completed just over half of Round Robin #2, with the remainder to be tackled tomorrow morning.

The end is near! To stay up to date with all the news, results and updates of the AYMRC, check out our Facebook [HERE](#).

Looking forward to Day #3 tomorrow!
